UK International Jewish Film Festival 2017: Film Sponsorship

UK Jewish Film is proud to announce the 21st UK International Jewish Film Festival to be held between 9th-26th November 2017 at cinemas across London, Manchester, Leeds, Belfast and Glasgow.

UK Jewish Film is dedicated to ensuring that Jewish and Israeli films are watched and enjoyed by the widest possible audience, and are part of the mainstream of British cultural life.

Through film we promote better understanding, affinity and awareness of Jewish life and culture, and help to fight prejudice and racism. We also encourage pride and knowledge of Jewish identity and culture within and beyond the community.

The UK International Jewish Film Festival is the largest Jewish film festival in Europe, with more than 120 screenings of 80 features, documentaries and shorts at 17 venues, and more than 50 guests, writers, actors, journalists, community leaders and academics participating in panel discussions and post-screening Q&As.

The impact of our work year-round is considerable with more than 25,000 people attending our annual festival, our year-round screenings and our education programmes for young people. We cannot do any of this work without your support.
